

How To Buy Your LSA's .COM & .ORG Hosting

What's Hosting? That's the company that puts your site onto the Internet, protects it from attacks and ensures that you can be seen by anyone on the Internet. We recommend DiscountASP.NET as they are high quality and are a massive company with thousands of servers around the world. They are also very inexpensive.

Go to <http://DiscountASP.Net> and follow the red arrows in this tutorial

The screenshot shows the DiscountASP.NET website interface. At the top, there is a navigation bar with links for HOME, FEATURES/PRICES, FAQs/KB, ABOUT US, WHY CHOOSE US, SUPPORT, AFFILIATES, FORUM, BLOG, and SIGN UP. Below this is a promotional banner for "Happy New Year! 2012" with a "SIGN UP NOW!" button. A red box highlights this button, and a red arrow points to it from the text below. To the left of the sign-up button is a "CONTROL PANEL LOGIN" section with fields for "User:" (containing "newwestmins") and "Pwd:" (containing "*****"), and a "GO" button. Below the login section is a "Control Panel DEMO" button with a "TRY NOW!" link. To the right of the sign-up button is a "Microsoft SQL Server 2012" offer for "FREE SQL 2012 beta hosting" and a "Microsoft ASP.NET 4.0" offer for "ASP.NET 4 Hosting" and "ASP.NET 3.5 SP1 Hosting". Below these offers is a "Microsoft MVC 3" offer for "ASP.NET MVC 3 Hosting". At the bottom, there is a yellow banner for "Microsoft Visual Studio Team Foundation Server 2010" with a "Click Here" link and a "30 Days FREE + NO SETUP Fees!" offer. An "Affiliate Program" button with a "Join NOW!" link is also visible.
